Dear Girl Scout Volunteers,

At our council, our staff priority continues to be the health and safety of our girls, volunteers, staff, and our community. Through these challenging times, I know we will find new, meaningful ways to come together.

I am excited to kick-off my weekly webinar series this Thursday from 6-8 PM, to discuss virtual and at-home programming options and have a discussion on ways we can continue the Girl Scout Leadership Experience, together.

If we can't be together in person, I am eager to talk through ways we can innovate and build community in other ways.

[Don't forget to sign up for the webinar! Join me on Thursday, March 19, 6-8PM!](#)
