

We are proud to announce that the Girl Scouts of Greater New York and [The Prom Musical](#) are coming together to help girls use their voices to make the world a better place!

The Prom is a new musical all about accepting our differences, being who you are, picking a cause you care about, and changing the world! Remind you of anything...?

In 2019, our friends at **The Prom**, including the show's star [Caitlin Kinnunen](#), are going to give you and your troop the push you need to change the world the Girl Scout way: by earning your **Bronze, Silver, and Gold Award!**

Here's how:

1. A discount code just for you, so Girl Scouts can go see this super inspirational and fun show, and save! For every ticket purchased with this code, \$5 will be donated to the Girl Scouts of Greater New York.
 - Use this when your order through [Telecharge Offers](#): **PQGSP102** Or simply click through this link: bit.ly/2RGxjrl.
 - Wear your uniform to the show and when you post photos, use the hashtag [#GSatTheProm](#) and tag us [@girlscoutsnyc](#).

2. **The Prom** might be a great addition to your troop activities this year!
[Check out this guide](#) to see if the themes in the show relate to Badges and Journeys you're working on.
3. Between now and June, star of **The Prom** **Caitlin Kinnunen** will share special motivational videos just for New York City Girl Scouts to provide inspiration as you go for your **Bronze, Silver or Gold**.
4. **GOLD AWARD NIGHT AT THE PROM!** In June 2019, we'll invite all Girl Scouts who've earned their Gold Award this program year to come see the show together for a Girl Scout celebration like no other.

So, what do you think?

Let's go out and do good – all you need is a cause! (That's literally a line from the show!)
