Adobe Express
Cookie Season
Templates & Resources

We're thrilled to be partnering with Adobe this cookie season! Here's everything you need to know to make the most of these resources.

For students NOT enrolled in public school:

Students not enrolled in NYC public schools will need to create a caregiver account using the steps below.

1. Click here.
2. Navigate to the section Get Adobe Express.
3. Select the option that best fits, which include:
   Access Adobe Express on web
   Learn more about Adobe Express on mobile
   Install the Adobe Express app on your device
4. Select "New User: Create an Account."
5. Choose a single sign-on method, or enter an email address, create a password, and click Continue.
6. Select Girl Scout links to access templates.
