

COOKIE SEASON 2026

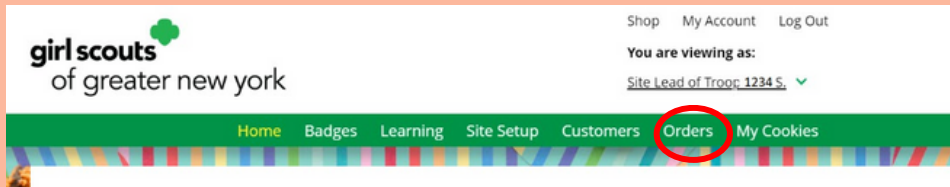

Initial Order Girl Delivery - Troop Site Link

If you accepted any Girl Delivery orders via your Troop site, there are additional steps you must now take. This does not apply to Initial Order Girl Delivery orders via a Girl site; those flow over into eBuddle automatically and do not require any extra steps.

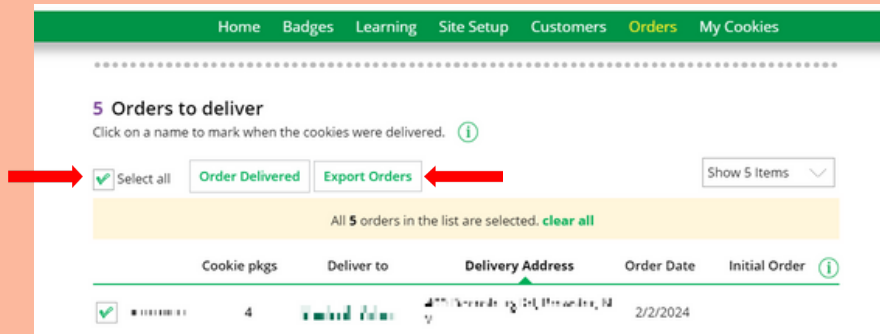

Log in to Digital Cookie as the Site Lead of the Troop Site role.

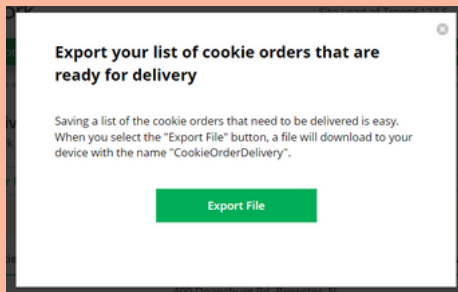

Go to the Orders tab.

Scroll down to where it says “Orders to deliver.” Click the “Select all” box and then click the “Export Orders” button.

This screen will pop up. Click “Export File”

A Microsoft Excel document will now be downloaded onto your computer. Open that document and scroll to the right until you see the cookie varieties.

If you do not have excel or have problems downloading the file please email us at customercare@girlscoutsnyc.org.
